

## Playing with Learning

English & Maths Can be fun!

What will we be looking at:

- Importance of talking
- Looking at and sharing books, story telling
- Child development in writing and reading
- Making resources – books, maths games, play activities
- Counting, Shape and Space, Sorting
- Language we use in maths

**The course runs for 2 hours per week for 10 weeks, is free and will not affect your benefits!**

**A free crèche service is provided for under 5's!**
