<b>3. Barriers to future attainment (for pupils eligible for PP, including high ability)</b>		
<b>In-school barriers</b> ( <i>issues to be addressed in school, such as poor oral language skills</i> )		
<b>A.</b>	Baseline into Preschool and Reception are below and well below, in all areas of the Curriculum	
<b>B.</b>	Progress data affected by pupils entering KS2 with high KS1 which cannot be evidenced	
<b>C.</b>	Severity of SEND needs – diagnosed through educational psychologist and with EHC plans, affecting individual learning and capacity of teachers to provide intervention to PP	
<b>D.</b>	Gap for PP vs non PP Nationally high across all reported areas, starting in EYFS	
<b>External barriers</b> ( <i>issues which also require action outside school, such as low attendance rates</i> )		
<b>E.</b>	Lack of parental engagement to support learning in the classroom and provide aspirations and expectations for attainment	
<b>F.</b>	PP absences higher than non PP (although lower than National average)	
<b>4. Desired outcomes</b>		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
<b>A.</b>	Increase the number of PP children achieving GLD	Increase GLD for PP to 69% in line with non PP children 2017
<b>B.</b>	Improve progress for PP children in KS2 through additional support, regardless of KS1 data	Increase average scaled score for R&M for PP from 96.5 to 98 Increase average progress score for reading from -7.59 to greater than -5
<b>C.</b>	Ensure access arrangements are implemented to allow PP children, with SEND to access learning	Complete BVPS on all KS2 children. Children working 2 years or more to complete EHA for Educational psychologist referral. To increase use of access arrangements across the school to provide opportunity for PP with SEND to access testing and improve TA.
<b>D.</b>	Reduce the attainment gap for PP vs non PP children Nationally in reading, writing and maths across all reported areas	Reduce gap for KS1 writing from 41 % to less than 30% Reduce the Gap for KS2 Reading from 50% to less than 30% Increase number of PP children achieving combined RWM, at KS2 from 13% to 30%
<b>E.</b>	Improved parental engagement	Increased opportunities provided for Parents to attend school to engage in children's learning.
<b>F.</b>	Improve attendance for PP	Attendance figures for PP meet school expectation of 97%

5. Planned expenditure					
Academic year	2017-2018				
The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.					
i. Quality of teaching for all					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
A.Increase the number of PP children achieving GLD	Maintain a high number of staff in the Early years to keep ratios a 1:12	Smaller key worker groups to provide specific learning against attainment and next steps.	Through data analysis and pupil progress meetings. 2simple data recordings	KB EYFS lead	Every term through data and Pupil Progress meetings
B.Improve progress for PP children in KS2 through additional support, regardless of KS1 data	Use SLT to support RWM and GPS in Y6, 3 mornings a week	Small groups of children with teaching directed specifically to individual need to plug gaps in learning, especially children joining the school through KS2	Data analysis, professional discussions, children's outcomes	MJ & KS	On going
C.Ensure access arrangements are implemented to allow PP children, with SEND to access learning	Training for TAs around expectation and data and how to provide support  SEND TA supporting pupils and staff with specific needs	TAs understand school expectations and able to support PP children with SEND to access the Curriculum and make good progress from starting points.  Individual support provided for children with Educational psychologist plans – to meet individual objectives.	Weekly TA training, HLTA to monitor TA practice Appraisal targets, which identify key children, reviewed in Jan	DC, GW	Every term through Pupil progress meetings
D.Reduce the attainment gap for PP vs non PP children Nationally in reading, writing and maths across all reported areas	Assistant Head non class based to provide coaching and mentoring to all staff	to support development of teaching and learning to ensure all teaching is at least good. Supporting collaborative learning. Training staff in marking & feedback. NQT mentor and coach			
ii. Targeted support

**6. Review of expenditure**

**Previous Academic Year**

**i. Quality of teaching for all**

<b>Desired outcome</b>	<b>Chosen action/approach</b>	<b>Estimated impact:</b> Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	<b>Lessons learned</b> (and whether you will continue with this approach)	<b>Cost</b>

**ii. Targeted support**

<b>Desired outcome</b>	<b>Chosen action/approach</b>	<b>Estimated impact:</b> Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	<b>Lessons learned</b> (and whether you will continue with this approach)	<b>Cost</b>

**iii. Other approaches**

<b>Desired outcome</b>	<b>Chosen action/approach</b>	<b>Estimated impact:</b> Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	<b>Lessons learned</b> (and whether you will continue with this approach)	<b>Cost</b>

**7. Additional detail**

There is a clear financial breakdown of spending, linked to the above. There is also a parent and pupil questionnaire to identify any concerns or support required by PP children and their families – this will feed into activities to support the needs.  
Wellbeing is also a main priority, this year, linked to children’s perceptions of failure and inability to achieve (see children’s questionnaires)
